INDIANA UTILITY
REGULATORY COMMISSION

CAUSE NO. 42170-ECR 1

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") made the following entry in this Cause:

The Presiding Officers have reviewed the Petition and prefiled testimony in this Cause and have the following questions with respect to the testimony and exhibits that have been submitted. The Petitioner should prefile responses to these questions prior to the Evidentiary Hearing, or be prepared to address these issues at the Evidentiary Hearing.

1. On Exhibit KF-1, it appears that IPL calculated the revenue conversion factor for "equity" as though the Utility Receipts Tax is deductible for state income tax purposes. Is it IPL's understanding that the Utility Receipts Tax is deductible for state income tax purposes? Please provide additional explanation on this issue, or provide a corrected Exhibit KF-1 to the Commission.
2. Based on our review of the Supplemental Testimony and Revised Exhibits filed by IPL on July 16, 2003, it appears that a revised Exhibit LA-3 should have been provided to reflect the changes referenced in the Supplemental Testimony and Revised Exhibits. Please review Exhibit LA-3 to ensure that it fully reflects all information provided in this Cause. A revised Exhibit LA-3 should be provided to the Commission if necessary. If the Petitioner believes that no changes are necessary to this Exhibit, IPL should be prepared provide additional clarification on this issue at the Evidentiary Hearing.

IT IS SO ORDERED.
